Premium Eco-Friendly & biodegradable Tableware and Bags for Every Occasion

Sustainable Products. Reliable Exports. Trusted Partnerships.

www.sanditiglobal.com

Introduction

Sustainable Products SanDiti Global is a newly established Indian export company dedicated to supplying high-quality, sustainable and eco-friendly products to international markets. We connect reliable Indian manufacturers with global buyers, ensuring quality, transparency and timely service at every step of the trade.

Our core business is sourcing and exporting bagasse-based biodegradable and compostable disposable tableware: plates, bowls, clamshell containers, meal trays, compartment plates and food containers, alongside biodegradable and compostable garbage bags and biodegradable garment bags.

As a trading and export partner rather than a manufacturer, SanDiti Global's strength lies in careful supplier selection: we work with quality-conscious, certified production partners so that every shipment we send abroad meets international food-safety and sustainability standards.

We are actively building relationships with distributors, importers and food-service buyers across the Middle East, North America, Europe and Australia, positioning SanDiti Global as a dependable bridge between Indian sustainable manufacturing and the world.

VISION & MISSION

Our Vision

To become a trusted global export partner by promoting environmentally responsible products and building long-term relationships with customers worldwide.

Our Mission

- Deliver premium-quality products at competitive prices.
- Ensure reliable sourcing from verified manufacturers.
- Maintain ethical business practices and customer satisfaction.
- Support the global shift towards sustainable and eco-friendly packaging solutions.

SanDiti Global believes trade built on transparency outlasts trade built on price alone. Every partnership begins with verifying that a supplier's certifications, quality processes and environmental claims are genuine, because our reputation with international buyers depends on it.

Sustainability First	**Verified Quality**	**Transparency**	**Long-Term Partnership**

WHY SanDiti GLOBAL

Sustainable by Design - Our entire portfolio is built around biodegradable, compostable, bagasse-based and plastic-free alternatives.	**Verified Sourcing** - We work only with quality-conscious manufacturing partners capable of meeting international standards.	**International Standards** - Products sourced for export are manufactured to internationally recognised food-grade.
Professional Communication - Responsive, clear and timely communication with every customer, from first enquiry to after-sales support.	**Flexible Solutions** - Order quantities, packaging and product mixes tailored to the buyer's market and operational requirements.	**Global Outlook** - Actively building distribution relationships across the Gulf, North America, Europe and Australia.

PRODUCT PORTFOLIO

A Complete Range of Sustainable Tableware

Bagasse-based biodegradable and compostable disposables spanning plates, trays, bowls, takeaway containers, and cups.

- Round & Oval Plates - 6" to 12.5", everyday service to formal presentation
- Compartment Plates & Meal Trays - 3 to 9 compartments, round & square formats
- Square & Rectangular Trays - Snack trays, chip trays and sandwich plates
- Bowls - 35 ml to 1000 ml, with and without lids
- Clamshells & Bio Boxes - Burger boxes to 9 x 12" family-size clamshells
- Takeout Containers - Rectangular & round containers with matching lids
- Cups, Glasses & Lids - Hot-cup lids and paper glasses
- Eco-friendly compostable bags designed for everyday use across retail, waste, and packaging needs.

Plates

Bagasse round and oval plates made from natural sugarcane fibre, offered in sizes from 6" up to 12.5". Sturdy, leak-resistant and suited to everything from snack service to full meal presentation.

Product / Variant	Dimensions
6" Round Plate	155 x 16 mm
6" Round Plate	155 x 16 mm
7" Round Plate	175 x 16 mm
9" Round Plate	230 x 20 mm
9" Deep Round Plate	210 x 20 mm
10" Round Plate	260 x 20 mm
11" Round Plate	275 x 30 mm
12" Round Plate	285 x 30 mm
10 x 8" Oval Plate	260 x 200 x 20 mm
12.5 x 10" Oval Plate	318 x 255 x 22 mm

COMPARTMENT PLATES

Multi-compartment plates and meal trays that keep separate dishes separate

Product / Variant	Dimensions
9" 3-Compartment Round Plate	230 x 20 mm
10" 3-Compartment Round Plate	260 x 20 mm
10" 3-Compartment Square Plate	220 x 220 x 25 mm
11" 4-Compartment Round Plate	275 x 27 mm
12" 4-Compartment Round Plate	295 x 28 mm
4-Compartment Meal Tray XL	300 x 240 x 35 mm
5-Compartment School Tray	263 x 212 x 22 mm
5-Compartment School Tray XL	295 x 240 x 35 mm
5-Compartment Meal Tray, Deep	280 x 219 x 42 mm
6-Compartment Meal Tray	280 x 220 x 35 mm

Bowls

A full range of bagasse bowls from 35 ml single-portion cups up to 1000 ml family-size servings, several with matching lids, suited to soups, curries, salads, desserts and side dishes.

Product / Variant	Dimensions
120 ml Kiwi Bowl	96 x 34 mm
150 ml Square / 5 oz Bowl	210 x 20 mm
180 ml / 6 oz Bowl	107 x 40 mm
240 ml / 8 oz Bowl	113 x 42 mm
12 oz Bowl (Export)	160 x 40 mm
16 oz Bowl	175 x 41 mm
24 oz & 32 oz Bowl with PET Lid	204 x 42 / 204 x 59 mm
180 ml Bowl	107 x 40 mm
240 ml Bowl	134 x 39 mm
350 ml Bowl	145 x 38.8 mm
Dona (utility cup)	104 x 104 x 29.6 mm

CLAMSHELLS

Hinged clamshell containers for burgers, hot meals and family-size servings, from compact 5 x 5" burger boxes to 9 x 12" multi-portion clamshells.

Product / Variant	Dimensions
5 x 5" Burger Box	245 x 121 x 70 mm
6 x 6" Burger Box	311 x 152 x 75 mm
6 x 6" Burger Box, European Style	310 x 150 x 85 mm
6 x 6" Clamshell	152 x 149.5 x 41 mm
7 x 5" Clamshell	272 x 182 x 65 mm
7 x 5" Clamshell (New)	266 x 178 x 68 mm
9 x 6" Clamshell	310 x 228 x 46.5 mm
8 x 8" Clamshell	205 to 437 x 200 x 40 to 49.8 mm
9 x 9" Clamshell	230 to 464 x 230 x 45 to 47.5 mm

COMPARTMENT CLAMSHELLS

Hinged clamshell containers for burgers, hot meals and family-size servings, from compact 5 x 5" burger boxes to 9 x 12" multi-portion clamshells.

Product / Variant	Dimensions
9 x 6" 2CP Clamshell	229 x 152 mm
8 x 8" 3CP Clamshell	203 x 203 mm
9 x 9" 3CP Clamshell	229 x 229 mm

CONTAINERS

Leak-resistant rectangular and round takeout containers with matching bagasse lids, sized from 500 ml to 1000 ml, well suited to delivery and takeaway service where a secure, food-safe seal is required.

Product / Variant	Dimensions
500 ml Rectangular Container	182 x 142 x 45 mm
500 ml Rectangular Container Lid	180 x 141 x 8 mm
750 ml Rectangular Container	152 x 197 x 57 mm
750 ml Rectangular Container Lid	196 x 153 x 8 mm
500 ml Round Bowl	158 x 56 mm
500 ml Round Bowl Lid	157 x 7 mm
750 ml Round Bowl	175 x 65 mm
750 ml Round Bowl Lid	174 x 7 mm
1000 ml Round Bowl	197 x 65 mm
1000 ml Round Bowl Lid	196 x 7 mm

CUPS

Leak-resistant rectangular and round takeout containers with matching bagasse lids, sized from 500 ml to 1000 ml, well suited to delivery and takeaway service where a secure, food-safe seal is required.

Product / Variant	Dimensions
90 mm Hot Cup Lid	93.6 x 24.6 mm
80 mm Hot Cup Lid	84.3 x 24.9 mm
240 ml Paper Glass	89.5 x 75.5 mm

Bags

A comprehensive range of compostable and biodegradable bags designed for multiple applications including retail, waste management, food handling, and logistics. Manufactured from certified eco-friendly materials, these bags offer strength, hygiene, and sustainability while serving as an ideal replacement for conventional plastic bags.

Product / Variant	Description / Usage
Garbage Bags	Strong, leak-proof bags for waste disposal
Carry Bags	Lightweight bags for retail & daily use
Animal Waste Bags	Hygienic, odour-resistant disposal bags
Shopping Bags	Durable bags for groceries & retail items
Vegetable Bags	Breathable bags for fresh produce
Laundry Bags	Large capacity bags for clothing storage
Apparel Bags	Protective packaging for garments
Courier Bags	Secure bags for shipping & logistics

GLOBAL EXPORTER OF BAGASSE PRODUCTS

Operating out of India, SanDiti Global is focused on building distribution and import partnerships across the following target markets, with capacity to expand further as demand grows.

Markets
USA, UK, UAE, Saudi, Australia and many more..

Sourcing Base
India, with access to certified bagasse-tableware manufacturing clusters.

Export Readiness
Sourcing partners hold recognised export documentation and international certification.

Buyer Types
Distributors, importers, food-service chains and corporate procurement teams.

FROM NATURE, BACK TO NATURE

Bagasse, the fibrous residue left over after sugarcane is pressed for juice, would otherwise be an agricultural by-product. Rather than going to waste, it is refined into durable pulp sheets and moulded into food-safe tableware.

Because bagasse is a renewable, plant-based material, products made from it are generally a more sustainable alternative to conventional plastic and styrofoam disposables, provided they are sourced from facilities that produce and handle them responsibly.

Products across our range are:

- Renewable Resource: Made from sugarcane fibre, a replenishable agricultural by-product.
- Compostable: Independently certified compostable formats break down under industrial composting conditions.
- Reduced Waste: Converts an agricultural residue into a useful product rather than a discarded by-product.
- Lower Carbon Footprint: Plant-based origin generally supports a lower footprint versus petroleum-based disposables.

How We Ensure Consistent Quality

SanDiti Global does not operate its own production facilities. Instead, we source exclusively from manufacturing partners who operate automated, hygienic bagasse-moulding production lines and maintain in-house quality-testing capability.

Before any product is approved for export through SanDiti Global, our sourcing partners are expected to demonstrate the following:

A, Automated Production
Fully automatic, electric-heated moulding machines for consistent surface finish, strength and touch-free hygiene.

B, Raw Material Standards
100% natural sugarcane bagasse pulp, free of added plastic coatings, processed into food-grade sheet stock.

C, In-House Testing
Dedicated quality-control checks for strength, oil & water resistance, microwave and freezer safety, shape accuracy and hygiene.

D, Hygienic Handling
Controlled-environment forming, minimal manual handling and regular sanitisation through to packaging.

Standards Our Sourced Products Meet

SanDiti Global sources bagasse tableware exclusively from manufacturing partners whose facilities and products are independently certified against the following internationally recognised standards. Certificates are issued to the respective manufacturing facility and are available for buyer review on request.

- ISO 9001:2015 — Quality Management
- ISO 22000:2018 — Food Safety Management
- ISO 14001:2015 — Environmental Management
- BRC Global Standard for Packaging Materials
- BPI Compostable & OK Compost (EN 13432)
- FDA (USA) Food-Grade Compliance
- CE Marking
- Biodegradation to ISO 17088

Before onboarding any manufacturing partner, SanDiti Global reviews their certifications, facility audits and product test reports as part of our own supplier verification process. Buyers can request copies of the relevant certificates for any product in this catalogue before confirming an order.

*Relevant product certifications and supporting documentation can be provided upon order confirmation, subject to product availability and the applicable manufacturer's documentation.

LET'S BUILD A SUSTAINABLE PARTNERSHIP
